About Us

With a location just moments from the Melbourne CBD and a strong membership, Green Acres Golf Club provides ample networking opportunities and a comfortable environment for both business and pleasure.

The Green Acres Golf Club was established in 1948 and is built on the original site of the Willsmere dairy farm. Situated in tranquil bush surrounds and only 15 minutes from the Melbourne CBD the challenging course layout has seen dramatic improvement in recent years to become one of the premier golf courses on the Yarra River. Green Acres is renowned for being a welcoming and friendly Club and our clubhouse facilities provide the ideal surroundings for the relaxation and enjoyment of members and their guests.

Privacy Policy

The Board of Directors of the Green Acres Golf Club is committed to the protection of personal information of members. The Club is subject to the national Privacy Principles under the Privacy Act. The National Privacy Principles govern the way the Club will collect, use, disclose and secure information about members. They also permit the member to access the information the Club holds about that member in order to correct or update it. Member information is required to run the business of the Club.

- The Club may collect and hold information such as the members' name, age, address, contact details, gender, employment, next of kin and other information relevant to Club membership.
- Information collected will be used principally for the purpose of managing the affairs of the Club and helping members maximise the benefits of membership. This may include providing members with information about services and facilities at the Club including events, functions and other Club activities. Any sensitive information, such as health information, or the use of electric carts on the golf course, may be collected as required to comply with the rules of the Club.
- The Club has, and will continue to have, data quality procedures in place to check that personal information about members is accurate, complete and up to date and will aim to ensure that information is held securely at all times.
- Members have a right to access personal information pertaining to themselves, held by the Club on request, unless one of the exceptions under the legislation will apply.
- If a member establishes that information held is not accurate, complete or up to date, then reasonable steps will be taken to correct the information.
- The General Manager of the Club will be the designated person to manage the Privacy Policy.
- If members have any complaints or concerns about privacy matters, they should contact the General Manager. It is understood members will be able to contact the Privacy Commissioner in regard to any matter.
